**Feast day of
St. Bridget of Sweden**

"For every Christian generation, the Eucharist is indispensable food that sustains us as we cross the desert of this world, dried by ideological and economic systems that do not promote life, but repress it. A world in which the logic of power and possession dominates, instead of the logic of service and love; a world in which the culture of violence and death often triumphs. Jesus knocks at the door of our hearts and asks to come in not just for one day, but for forever." (*Pope Benedict XVI, 6/7/07*).

Overnight accommodations are available for a free-will offering.
